Note on Plagiarism and Similarity:

Varia Justicia follows ZERO Plagiarism policy. We check all articles by iThenticate (Turnitin software). You are expected to see attached similarity report as well and take the following actions:

1. Wherever you see the similarity, full paragraph or 2 to 3 lines full copy-pasted, you need to rewrite in your words. It will reduce similarity.
2. If you are taking any text, information, idea, images, data, table, etc. from some source then you should do paraphrasing and you have to give citations to that source. Otherwise, the article will be labeled as Plagiarized and Rejected and no query will be entertained.
3. If your Similarity index is above 30%. You need to send a new Turnitin report from your side showing a similarity of less than 30%.
