Dear WSEAS Team,

It was marvelous news that my paper has been accepted. I still continue to publish my paper, Code 5107-1725. entitled "The effect of The Investigative Report Learning Model on Student's Perception about Anti-Corruption Behaviour" on the WSEAS Transaction on Business and Economic Journal indexed by Scopus Q4.

Could you deliver to me what the next stage that I have to do? As far as I know, the payment and registration deadline is 31 May, so I plan to pay and register on 10 or 11 May. I also need the official letter from the editor and the complete review result from peer-review due to the administration's interest in my place. Lastly, I need to do some changes to the author list, I need to replace the third author with a total of five authors.

Best regards,
 Dr. Nurlaelah
