Dear Authors,

Regarding your submission in AGRIVITA, Journal of Agricultural Science, entitled "Growth and development responses of soybean (Glycine max L.) under several combinations of inorganic and organic fertilizer". The manuscript has 27% of plagiarism. The file is attached.

Please rephrase the long sentences that are detected as plagiarism without changing their meaning. Revision should be done in doc. file attached. Please send this back to us no more than 29 November 2022.

For information, AGRIVITA only publishes manuscripts that have less than 15% of plagiarism. The manuscripts shall never be published elsewhere, original, and not under consideration for other publication.

We look forward to hearing from you. Thank you.

Best regards,
AGRIVITA Editorial Team
