The screenshot shows an email from Pharmacognosy Journal to Muammar Fawwaz. The email is titled 'Manuscript Received & Peer Review Acceptance - PJ-21-554'. The body of the email contains the following text:

Dear Dr. Muammar Fawwaz,

Thank you very much for your submission to the Pharmacognosy Journal. We have received your article entitled "Total Phenolic, Flavonoids, and Carotenoids Content and Anti-Obesity Activity of Purslane Herb (Portulaca oleracea L.) Ethanol Extract". The article is now under our PRELIMINARY EVALUATION and we will keep you updated on the article status accordingly.

As we are an open-access non-profit organization, we require publication charges to recover our editorial and production expenses. They cover the range of publishing services we provide which includes the provision of online tools for editors and authors, article production and hosting, liaison with abstracting and indexing services, and customer services. The publication charges are 799 USD (as discussed) for the accepted article. You are required to process publication charges upon acceptance of your article (after peer-review). Kindly confirm your response to proceed with the review process.

We thank you for submitting your valuable work to the Pharmacognosy Journal.

Kindly get back to us for further queries.

Have a great day.!

Best regards,
