# WORKFLOW JOURNAL

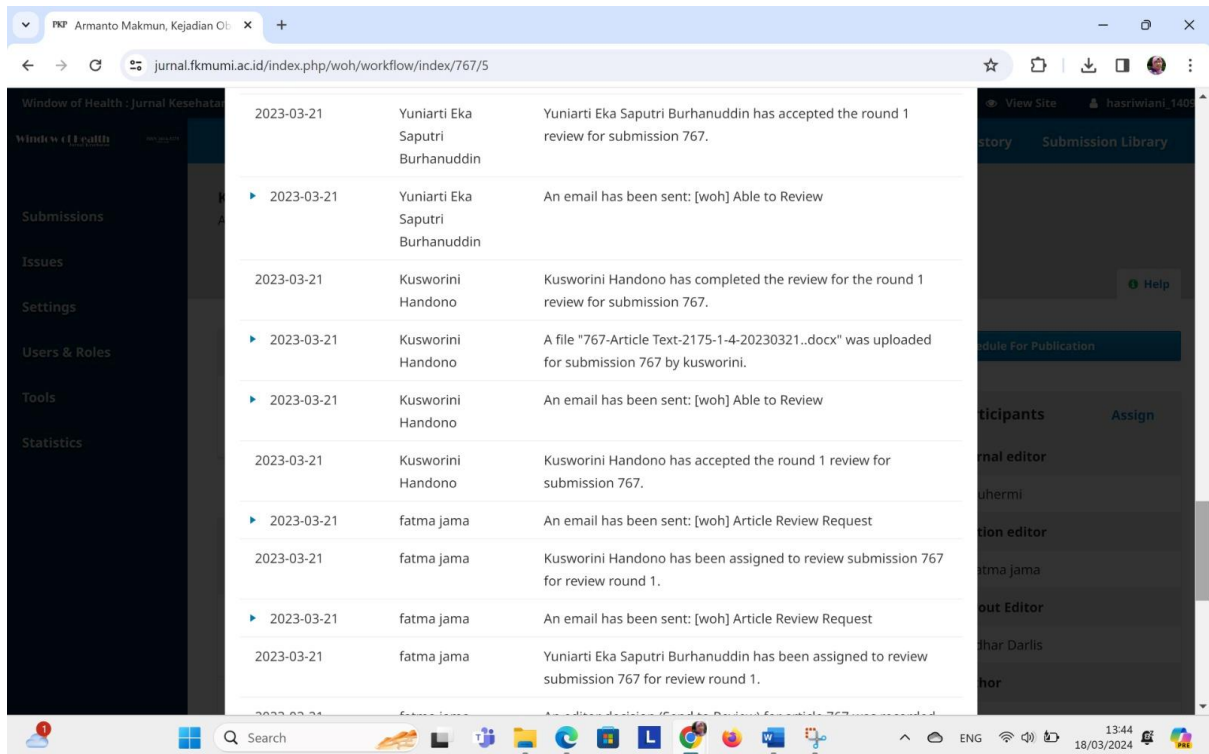

## 1. Submission dan Editing Section (6 Februari 2023 dan 7 Februari 2023)

The screenshot shows a web browser window displaying the 'Window of Health' journal workflow page. The page has a dark sidebar with navigation links: Submissions, Issues, Settings, Users & Roles, Tools, and Statistics. The main content area shows a table of workflow events for submission 767. The events are listed in chronological order from top to bottom, with the most recent at the top. The table has three columns: Date, User, and Action. The actions include sending review requests, assigning reviewers, recording editor decisions, uploading files, and sending notifications.

| Date       | User               | Action                                                                                                                                                     |
|------------|--------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 2023-03-21 | fatma jama         | An email has been sent: [woh] Article Review Request                                                                                                       |
| 2023-03-21 | fatma jama         | Yuniarti Eka Saputri Burhanuddin has been assigned to review submission 767 for review round 1.                                                            |
| 2023-03-21 | fatma jama         | An editor decision (Send to Review) for article 767 was recorded by fatma jama.                                                                            |
| 2023-03-21 | fatma jama         | A file "indah dian permana.docx" was uploaded for submission 767 by jamafatma.                                                                             |
| 2023-02-07 | Alfina Baharuddin  | fatma jama (jamafatma) was assigned to this submission as a Section editor.                                                                                |
| 2023-02-07 | Alfina Baharuddin  | Notification sent to users.                                                                                                                                |
| 2023-02-07 | Alfina Baharuddin  | An email has been sent: [woh] Editorial Assignment                                                                                                         |
| 2023-02-06 | Indah Dian Purnama | An email has been sent: [woh] Submission Acknowledgement                                                                                                   |
| 2023-02-06 | Indah Dian Purnama | Initial submission completed.                                                                                                                              |
| 2023-02-06 | Indah Dian Purnama | A file "Karakteristik Penyakit Pada Kondisi Obesitas yang Berobat Di Rumah Sakit Ibnu Sina Tahun 2019.docx" had its last revision removed by Zindah_dian6. |

## 2. Proses Review (21 Maret 2023)

The screenshot shows the same 'Window of Health' journal workflow page, but with a different set of events, focusing on the review process. The events are listed in chronological order from top to bottom. The table has three columns: Date, User, and Action. The actions include accepting reviews, sending review requests, completing reviews, uploading files, and sending notifications.

| Date       | User                             | Action                                                                                          |
|------------|----------------------------------|-------------------------------------------------------------------------------------------------|
| 2023-03-21 | Yuniarti Eka Saputri Burhanuddin | Yuniarti Eka Saputri Burhanuddin has accepted the round 1 review for submission 767.            |
| 2023-03-21 | Yuniarti Eka Saputri Burhanuddin | An email has been sent: [woh] Able to Review                                                    |
| 2023-03-21 | Kusworini Handono                | Kusworini Handono has completed the review for the round 1 review for submission 767.           |
| 2023-03-21 | Kusworini Handono                | A file "767-Article Text-2175-1-4-20230321..docx" was uploaded for submission 767 by kusworini. |
| 2023-03-21 | Kusworini Handono                | An email has been sent: [woh] Able to Review                                                    |
| 2023-03-21 | Kusworini Handono                | Kusworini Handono has accepted the round 1 review for submission 767.                           |
| 2023-03-21 | fatma jama                       | An email has been sent: [woh] Article Review Request                                            |
| 2023-03-21 | fatma jama                       | Kusworini Handono has been assigned to review submission 767 for review round 1.                |
| 2023-03-21 | fatma jama                       | An email has been sent: [woh] Article Review Request                                            |
| 2023-03-21 | fatma jama                       | Yuniarti Eka Saputri Burhanuddin has been assigned to review submission 767 for review round 1. |

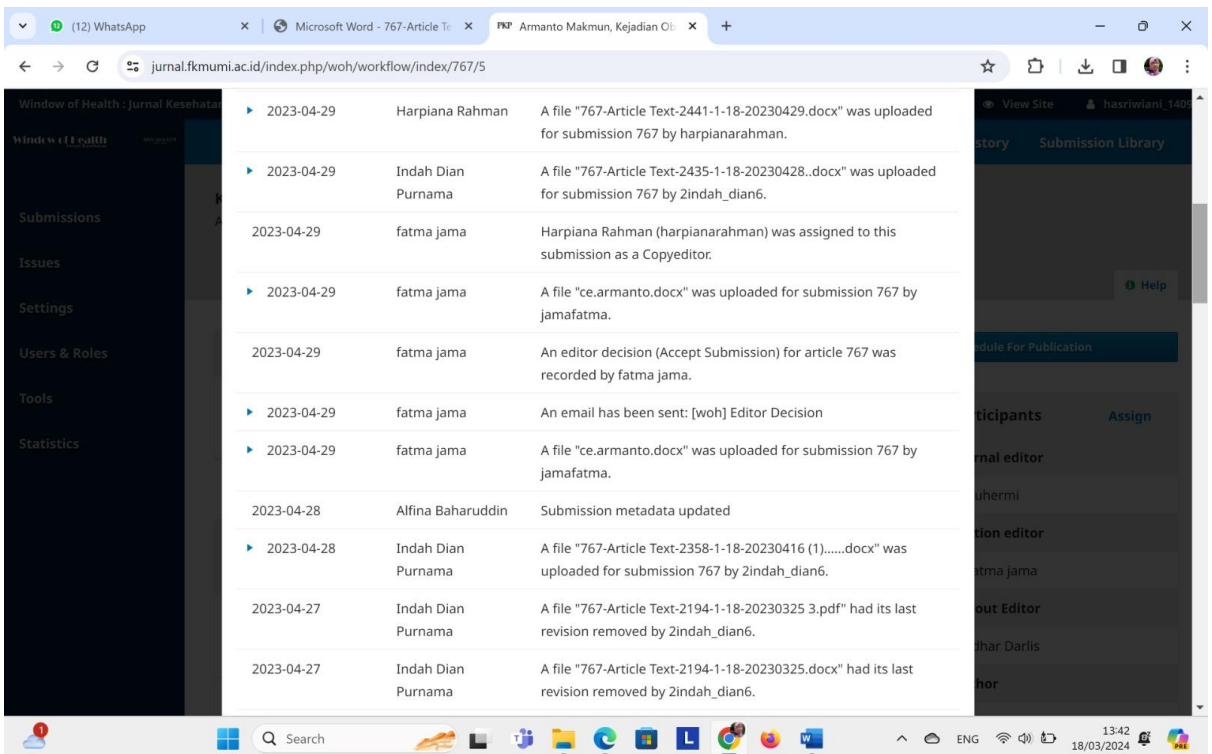

### 3. Revisi (25 Maret 2023)

The screenshot displays a web browser window with the URL `jurnal.fkmumi.ac.id/index.php/woh/workflow/index/767/5`. The interface shows a list of submission events for submission 767. The left sidebar contains navigation links: Submissions, Issues, Settings, Users & Roles, Tools, and Statistics. The right sidebar shows a list of participants: Journal editor, Editor, Reviewer, and Author. The main content area is a table with the following data:

| Date       | Participant                      | Action                                                                                               |
|------------|----------------------------------|------------------------------------------------------------------------------------------------------|
