

IJTPE COPYRIGHT AND CONSENT FORM

IOTPE Organization (including ICTPE Conference and IJTPE Journal) and authors share a common interest in the protection of copyright. In order to do so effectively, publishers request a formal written transfer of copyright from the author(s) for each article published. To ensure uniformity of treatment among all contributors, other forms may not be substituted for this form, nor may any wording of the form be changed. This form is intended for paper submitted to the IJTPE Journal and must accompany any such material to be published in the IJTPE Journal. Please read the form carefully, complete and keep a copy for your files, and return this form promptly.

I. PAPER INFORMATION

II. COPYRIGHT TRANSFER

The undersigned hereby assigns to the IOTPE Organization all rights under copyright that may exist in and to the above IJTPE Paper. Any revised or expanded derivative works submitted to the other Conference/Journal than IOTPE Organization (ICTPE Conference and IJTPE Journal) must be accompanied by a request (the Permission Form) to the Conference/Journal Copyright Holder (or official representative thereof), Editor-in-Chief or Volume Editor of the proceeding/journal or General Chair. In other cases, the undersigned hereby warrants that the IJTPE Paper is original and that he/she is the author of the IJTPE Paper. To the extent the IJTPE Paper incorporates text passages, figures, data or other material from the works of others, the undersigned has obtained any necessary permission forms.

III. AUTHOR(S) RESPONSIBILITIES

The IOTPE Organization distributes its technical publications throughout the world and wants to ensure that the material submitted to IOTPE Organization is properly available to the readership of those publications. Authors must ensure that their IJTPE Paper meets the requirements of IOTPE Publication Policy [1], including provisions covering originality, authorship, author responsibilities and author misconduct. Authors are also advised especially of copyright rules (adapted from [1]): "It is the responsibility of the authors, not the IOTPE Organization to determine whether disclosure of their material requires the prior consent of other parties and, if so, to obtain it."; "It shall be acknowledged that statements and opinions given in work published by the IOTPE Organization are the expression of the authors. Responsibility for the content of published papers rests upon the authors, not IOTPE Organization." The Author(s) warrants that the IJTPE Paper is his or her original work, does not infringe on any existing copyrights, and has not previously been published in whole or in part (see the above conditions for an exception to this rule).

[1] The full policy may be viewed at <http://www.iotpe.com/IJTPE/PublicationPolicy.html>.

IV. GENERAL TERMS

- The undersigned represents that he/she has the power and authority to make and execute this assignment.
- The undersigned agrees to indemnify and hold harmless the IOTPE Organization from any damage or expense that may arise in the event of a breach of any of the warranties set forth above.
- The copyright form will only be signed by the Corresponding Author as authorized agent for joint authors.

V. RETAINED RIGHTS / TERMS AND CONDITIONS

1. Authors retain all proprietary rights in any process, procedure, or article of manufacture described in the IJTPE Paper. The authors are not permitted to grant third-party requests for reprinting, republishing, or other types of re-use.
2. Author may reproduce (NOT to reprint) or authorize others to reproduce (NOT to reprint) the IJTPE Paper, material extracted verbatim from the IJTPE Paper, or derivative works for the author's personal use or for company use, provided that the source and the IOTPE Organization copyright notice are indicated.
3. For all uses not covered by item 2, authors must request IOTPE Permission Form from the IOTPE Copyright Holder (or official representative thereof), Editor-in-Chief or Volume Editor of the IJTPE or General Chair, to reproduce or authorize the reproduction of the IJTPE Paper or material extracted verbatim from the IJTPE Paper, including figures & tables.

VI. GENERAL CONDITIONS

1. The Journal Fee is considered by the Editorial Board to cover the communication, reviewing, editing and publication processes of the submitted papers and it is not refundable.
2. The IJTPE Journal has not obligation to index the submitted and published papers in any indexing database.
3. The IJTPE Journal name and information are continuously indexed on some of the famous databases based on the high quality configuration and scientific style of the journal.

Dear Author,

The submitted **PAPER ID 1894-240715** **will be reserved for IJTPE Journal issue at the End of DECEMBER 2024**, after final review and receiving signed copyright form and also receipt of **Remaining Journal Fee** (Paper Processing Charge).

Note: Publishing of the submitted paper will be canceled after 7 days without receiving Signed Copyright Form and also transaction of Remaining Journal Fee.

1. **Please print out and sign the attached Copyright Form by hand and send the scanned file back to us.**

Do not forget to fill in the name and surname of the corresponding author as well as the information of the extended paper published before in another conference or journal.

Digital signature used in the copyright form is not accepted.

2. The indexing databases may index the published papers according to their methods and schedules and the IJTPE Journal does not control the indexing processes of the published papers on the indexing databases. Therefore, the Author(s) has(ve) not any right to claim in this regard.

- The reviewed and accepted papers are just published in the IJTPE Journal according to the Author(s)' submission, request and transferring the Journal Fee.

- The Journal Editorial Board has the right to change the publishing schedule of the accepted paper(s) in the earlier or later issue(s) of the journal based on the publishing planning and limitations.

- The Journal Editorial Board has the right to change the title and contents of the accepted paper(s) before/after the publishing process based on its rules and strategies.

- **Violation of any part of the Agreement by the Author(s)** will cause the publication of the submitted paper in the IJTPE Journal to be **CANCELLED**.

3. Please also transfer the Journal Fee (Paper Processing Charge) and send the receipt.

<http://www.ijtpe.com/IJTPE/JournalFees.html>

- The **Journal Fee** (**review-publish process**) is considered by the IJTPE Journal to cover the communication, reviewing, editing and publication processes of the submitted papers and **it is not refundable** in any step of **review-publish and also after publish processes** of the submitted paper(s).

- The **Journal Fee is not refundable** if the submitted paper(s) is **withdrawn** by the author or **rejected** or **canceled** by the IJTPE Journal.

- **1/2 Journal Fee** is transferred before **Review Process**.

- The remaining **1/2 Journal Fee** will be transferred before **Publishing Process**.

- The author(s) has(ve) no claim to refund the Journal Fee after transferring.

- The author(s) **agree** to consider any **extra payment** during the Journal Fee transactions as the **Grant** to the journal process, because returning the extra payment is more expensive.

4. The journal fee (**250 USDT**, **excluding transaction Transfer expenses**) is transferred to the following **USDT (TRC20)** **account** and the receipt of transaction is also submitted:

USDT = **US** Dollar **T**ether cryptocurrency stablecoin

USDT (TRC20) Account of IJTPE Journal:

Dear Author,

Paper ID: 1894-240715

Please kindly revise your submitted paper considering the following Review Comments and resend it again for checking out.

REVIEW COMMENTS:

- Write down the Author(s) Names and Surnames as follow:
First letter of name(s) (and middle name(s)) and complete surname(s) after title of the paper on the first page
- Add all the authors' affiliation and email accounts.
- Extend, improve and reformulate ABSTRACT.
- Use **DECIMAL POINT** "." instead of COMMA "," in the decimal presentation of the numbers, e.g. "0.2" instead of "0,2", in the whole of the paper contents, figures and tables.
- Redraw the **Flowcharts** and related **Figure(s) 1-5** in the paper using the **MS WORD SHAPES** tool (Insert >> Shapes and then Group all of the shapes) to improve the quality of the image. **DRAW THE FIGURE(S) INSIDE THE MS WORD.**
- Change the font and size of all the information, equations and titles in the tables, figures and algorithms to Times New Roman 8 pt.
- Extend, improve and reformulate CONCLUSION.
- Add more notes in discussions and extend the results based on the output figures, tables and outcome results.
- Compare the results and simulation outputs related to different close methods and verify the advantages and disadvantages.
- The discussion section does not cover the paper targets and should be reasonably extended to Engineering subjects.

REFERENCES:

- References need to be re-written according to the IJTPE Journal style as Name (first word) Surname, ..., (WITHOUT AND) "Paper or Book Title", Proceeding or Journal or Publication (COMPLETE NAME), Issue ..., Vol. ..., No. ..., pp. ...-..., Place, City, Country, Date/Year, WITHOUT WEB ADDRESS, WITHOUT DOI.
- Assign the name and surname of the authors exactly according to the references format of the journal.

Example:

[1] A.B. Cdef, G. Hijk, L.M.N. Opqr, et al., "The Title of the Paper or Book or Thesis or Report", Conference of Abcd, Journal of Efgh, Issue 1, Vol. 2, No. 3, pp. 4-10, City, Country, April 2021.

- Use and address at least two references in your paper from the previously accepted papers in IJTPE journal issues published in the address, <http://www.iotpe.com/IJTPE/IJTPE-JournalIssues.html>.

BIOGRAPHIES:

- Include the photo(s) of the author(s) with high quality and color based in the Biographies section. The photos should be in high resolution, color status, white background (without any logo, flag, etc.) and size of 2.5 cm x 2 cm. Taken in full-face view directly facing the camera (without glass, etc.).

Resolution: **High Fidelity**.

- Fill out the items of the following form for all of the authors separately at the end of the paper.

Birthplace: City, **Country**

Scientific Publications: ? Papers, ? Books, ? Patents, ? Projects, ? Theses
