Message 5 of 5  

Dear Dr. Upendra Nagaich
Editor of JAPTR

I would like to have information for manuscript number JAPTR_177_19, currently in Phase [Peer Review]_177_19. It has been submitted on 19-Dec-2019. If there is a bill for submission fee that I have to pay please let me know.

I hope you help me for this matter.

Thanks in advance
Best Regards
BACHTIAR

Dear Researcher,

I would like to share with you, that we are looking forward for some respondent for our new study about the Quantitative PCR or Real-time PCR user from Academic/CROs/Pharma-Biotech Companies/Research lab across countries like Thailand, Japan, South Korea, Vietnam, Singapore and Taiwan.

Length of interview: 30 minutes (15 minutes could be via email filling & 15 minutes telephonic interview).

Incentive would be paid for the participation in the research study.

Interested researchers can revert via email.

Regards,
Dr. Upendra Nagaich
Editor

Dear Prof. Winiati,

An edited and formatted version of your article 'Identification of Active Compounds In Ethyl Acetate, Chloroform, And N-Hexane Extracts From Peels Of Citrus aurantifolia From Maribaya, West Java, Indonesia', which is scheduled for publication in a forthcoming issue of Journal of Advanced Pharmaceutical Technology & Research, has been uploaded on our site <https://www.journalonweb.com/japtr> [2].

You are requested to check the same and upload corrected file within 5 days. if there are no changes click "No change" on the site.

If you have any difficulty in downloading or uploading the proofs, please write to proofs@medknow.com.

In case we do not hear from you within the stipulated time, we may proceed with publication of the article as it is or postpone the publication to the next issue.

We value your support to our journal and look forward for your valuable contribution in future.

Thanking you,
Dr. Upendra Nagaich

Dear Prof. Winiati,

Journal of Advanced Pharmaceutical Technology & Research has received your manuscript entitled "Identification of Active Compounds In Ethyl Acetate, Chloroform, And N-Hexane Extracts From Peels Of Citrus aurantifolia From Maribaya, West Java, Indonesia" for consideration for publication. The reference number for this manuscript is "JAPTR_177_19". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all the contributors to act as corresponding author.

High resolution images are required at the time of acceptance, you should be notified separately for the same, if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://www.journalonweb.com/japtr>.

The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository.

We thank you for submitting your valuable work to the Journal of Advanced Pharmaceutical Technology & Research.

Yours sincerely,
Dr. Upendra Nagaich
